

*Is it hard to succeed in business these days, or what?*

You've got big ideas, even if your wallet feels a little thin.

You know, everyone needs a little help sometimes.

A super communicator who knows how to get people's attention and make even a plain vanilla business sound passionate and alive!

*There are lots of ways to build up new business -- by communicating better with potential customers!*

Sometimes the best thing is just to be obvious. HGet your butt in here and buy something!

Never doubt the power of a nimble mind, harnessed to a winning disposition!

They say he knows everything about marketing and publicity!

Imagine a one-stop communications pro who works like a partner, not a vampire bat!

Mike critiqued all our sales pieces. he showed us how to get better results!

If you put your heart and soul into it, business can be fun.

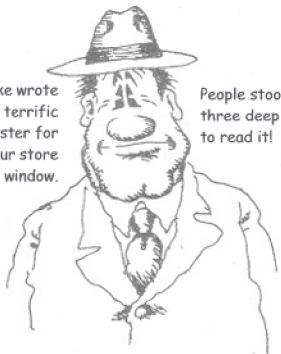

It's all in the 'tude, y'know?.

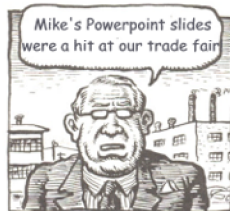

THE SECRET OF SUCCESS

Mike wrote a terrific poster for our store window.

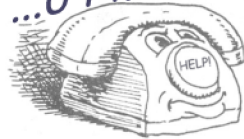

People stood three deep to read it!

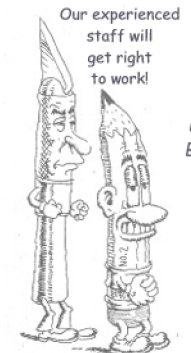

Oh, the things this guy can do...

...644... 4540...

Trembling fingers grope for the dial -- yet something holds you back!

*Bear in mind ...*

Our experienced staff will get right to work!

"The Business Builders"

*Mike Finley ... "The Business Builder" ... imagination and good humor ... right here in the Midway ... 651-644-4540!*
